

Request for Quote: Geotechnical

Vendor Search Dates: Start: End:

Good morning,

We are soliciting quotes from qualified persons or companies to provide Geotechnical Services. This scope of work is for **one** residential project (listed below) located in Paterson, NJ. Once written request is received, we ask that all proposals are **submitted within 5 days**. Any questions regarding this proposal can be sent to Diomedes Vargas Project Coordinator via dee@patersonhabitat.org or call **973-930-2849**

Address:

101 North 3rd St Paterson NJ

Scope of Work:

Site Note: We are looking to build a single-family residential dwelling with a garage in the first floor, and two living floors above. The foundation of the house will be made out of CMU block. The current lot is 25x100, with questionable retaining wall in the back and left side.

- We would like you to conduct a Geotechnical Investigation for our site at 101 North 3rd St Paterson NJ. In order to help us to install the retaining walls and the install of the foundations.
