**Paterson Habitat for Humanity and Kuiken Brothers Company, Inc. Build Week May 10 - 14, 2016.**

Kuiken Brothers partnership with Paterson Habitat for Humanity continues in 2016 as they sponsor a whole house of building materials and a full week of volunteers to work on the building and construction of the house. From May 10-14, 2016 Kuiken Brothers will be sending over 75 of their builder, remodeler and manufacturer representatives customers, to join the Kuiken Brothers staff to help build this house.

The "Kuiken Brothers House" will be located at **207-209 Hamilton Avenue, Paterson NJ**

**WHAT:** Paterson Habitat will hold a press conference to thank Kuiken Brothers Company, Inc. and their volunteers for their generous gift of materials and time to build a home for one of our future homeowner families.

**WHEN:** May 13, 2016, 10:00am

**WHERE:** 207-209 Hamilton Avenue, Paterson NJ

**WHO:** Matthew Kuiken, Vice President of Operations, Kuiken Brothers Company, Inc.  
Barbara Dunn, Executive Director, Paterson Habitat for Humanity

**About Paterson Habitat for Humanity**

Paterson Habitat for Humanity, an affiliate of Habitat for Humanity International, partners with low-income families to help them build and buy new homes of their own and renovates existing homes. The organization is also working with community partners to revitalize whole neighborhoods. Paterson Habitat's mission is sustained by financial donations and the work of its construction volunteers, who have provided homeownership opportunities to over 300 families since 1984. For more information, visit [www.patersonhabitat.org](http://www.patersonhabitat.org).

**About Kuiken Brothers Company, Inc**

Established in 1912, Kuiken Brothers Company has grown to become a leading supplier of residential and commercial building materials, including lumber, windows, doors, mouldings, drywall, metal studs, decking, railing, and cabinetry with a focus on serving the needs of professional contractors and homeowners in the region. With a staff of more than 280 employees, the company now has a total of seven locations in New Jersey, in Fair Lawn, Emerson, Midland Park, Wantage, Garfield, Succasunna and Roseland, and one in Warwick, New York. For more information, visit [www.kuikenbrothers.com](http://www.kuikenbrothers.com), call 201.652.1000, or e-mail [info@kuikenbrothers.com](mailto:info@kuikenbrothers.com)

A corporate mission of Kuiken Brothers is to positively impact communities in New Jersey and the greater tri-state area. The company supplied building materials for the first Paterson Habitat for Humanity House 32 years ago. In 2007 Kuiken Brothers' was awarded the Millard Fuller Award, Paterson Habitat's highest tribute.
